Nevada Fire Chiefs Association
Membership Information

The mission of the Nevada Fire Chiefs Association is to promote and support the fire service of Nevada.

Membership is based on an annual calendar year schedule. Membership renewal applications will be mailed in January of each year, with payment requested by April 1st. Any member who has not renewed his/her NFCA membership by April 1st is delinquent and his/her name will be removed from the Organizational Membership Roster and mailing lists.

Definitions:

- A. Active membership shall include all ranks of chief officers, paid or volunteer, of any organized and legally constituted fire department in the State of Nevada or public safety personnel who are in an administrative capacity and directly associated with the fire service.
- B. Vendor membership shall include persons, firms, and corporations engaged in the sale or manufacture of fire apparatus, equipment, devices or general fire department supplies shall be eligible for Vendor Membership upon the payment of annual dues. Such members shall be entitled to all the privileges of the Association except the right to vote or hold elective office.
- C. Associate membership shall include educators, law enforcement officers, retired chief officers with less than ten years as an Association member, and other public safety personnel. Such members shall be entitled to all the privileges of the Association except the right to vote or hold elective office.
- D. Honorary membership shall be those persons voted upon by the Association that will include, but not be limited to city, county and state officials. Such members shall be entitled to all the privileges of the Association except the right to vote or hold elective office.
- E. Life membership shall be those persons who have had at least ten (10) years active membership status in good standing with the Association and have retired from the Fire Service.
